HAPPY LUNAR NEW YEAR!

ARCSA is pleased to host this year's Asian Festival on May 24th at La Villita (tentative). Originating in the early 1980s, the festival emerged as a grassroots effort by members of the City's Asian community to share their rich cultures and heritages with the broader population. Over the years, it has grown into a beloved annual event and has become part of San Antonio tradition. Through the festival, we hope to bring together people from various backgrounds to experience the flavors, traditions, and arts of Asia. We believe that the Asian Festival continues to serve as a vibrant platform for fostering cross-cultural understanding, appreciation, and unity while offering a joyful experience for all who participate.

The 2025 Asian Festival Committee has been formed, and committee members are working tirelessly to ensure that this year's festival is a remarkable success.

2025 Annual Gala

The ARCSA Annual Gala is a prestigious gathering designed to raise funds for the construction of the Asian Resource Center building while bringing together donors, supporters, and community leaders. This elegant evening serves as a platform to celebrate achievements, share impactful stories, and inspire generosity through auctions, sponsorships, and donations. Beyond fundraising, the gala fosters connections, strengthens community engagement, and amplifies awareness, ensuring continued support for the organization's mission and future initiatives.

This year's Annual Gala will be in June at the Club of Sonterra. The 2025 Annual Gala Committee is being formed and more details about the event will be available soon.
